

WALT DISNEY  
SIGNATURE  
by DREXEL HERITAGE.

As one of the world's greatest storytellers, collaborators, innovators and entrepreneurs, Walt Disney is a truly powerful inspiration for a product line. With his artistic vision, Walt Disney expanded the boundaries of design, animation and entertainment beyond imagination. So it is with great pride that Drexel Heritage introduces the Walt Disney Signature Spring 2007 collection.

Like the man behind the brand, Walt Disney Signature is designed to stimulate your imagination and inspire your sense of style. With distinctive furnishings reminiscent of the art moderne styling of the 30s and 40s, we have carefully crafted furnishings with the same high standards and attention to detail that earned Walt Disney countless accolades, including 32 Academy Awards.

Walt Disney Signature moves beyond simple nostalgia, infusing the best elements of the past into contemporary, imaginative and inviting furnishings for today.
